SUMMER AT HOLIDAY VALLEY

The cool, green hills of Holiday Valley are a welcome respite from the hot hustle-bustle of the city. Visitors of all ages can enjoy the recreation, festivals and atmosphere of Holiday Valley and Ellicottville in the summer.

THE DOUBLE BLACK DIAMOND COURSE

It's a whole new game at Holiday Valley with the recently renovated 6500 yard, par 70 Double Black Diamond Golf Course. Each hole was completely redesigned by Golf Course Architect, Paul Albanese. Fairways were modified and many new bunkers have been added, including several stacked wall bunkers which are beautiful, but deadly. Cart paths were improved and ponds were renovated or removed. The renovation was com-

pleted in 2008 resulting in a longer course from the Double Black Diamond back tees, and at the same time an easier, shorter course from the new front tees.

Two things have remained the same at Holiday Valley; the incredible scenery from the upper tees and the easy, laid back atmosphere. Come play with us for a refreshing change of pace.

ACCOMMODATIONS

We represent over 200 fully furnished condominiums & homes in Ellicottville and nearby. Rental guests have use of the Holiday Valley public pools June 18 - Sept. 5, 2011.

Stay course-side at the beautiful Inn at Holiday Valley. Guests of the Inn receive a generous continental breakfast, use of the indoor/outdoor heated pool, outdoor hot tub, sauna and fitness room.

The new course-side Tamarack Club offers one, two, & three bedroom condominiums, deluxe hotel rooms with four star amenities including an indoor/outdoor heated year 'round pool, two hot tubs, exercise room, sauna and valet/bell service. John Harvard's Brew House and Falling Waters Spa are located in the Tamarack Club.

New in Summer 2011 Aerial Adventure Park & Mountain Coaster

Aerial Adventure Park

It's a playground in the trees at Tannenbaum featuring a series of platforms and bridges. You must use strategy and balance to move across the bridges made of logs, ropes, hanging chunks of wood or other materials. You choose the level of difficulty. All participants wear a locking harness and staff on hand is trained to assist climbers. Groups are welcome!

Mountain Coaster

The Mountain Coaster is a thrilling ride down banked curves, over humps, around loops and roundabout corkscrews. The coaster is located in the woods near Spruce Lake Chair. Ride alone or with a friend, you control the speed of your car.
