

Covid-19 Rapid PCR Tests

Results within 2 hours

The Thermo Fisher Scientific Accula™ SARS-CoV-2 Test combines RT-PCR accuracy with a portable platform and elegantly simple workflow to provide fast and convenient RT-PCR results in just 30 minutes and to quickly and reliably identify patients who are COVID-19 positive for isolation or deferment of treatment.

- Tests must be scheduled on your mobile phone
- Requires a shallow nasal swab that you do yourself under supervision
- Receive results as a text message in 30 to 45 minutes after test has been processed
- Detects Active Covid-19 Infection
- No Prescription Required
- **Can be used for cross border testing for entry into Canada**

\$140
per test
